## **Monday 5/4:** Gratitude Garden Flower Delivery

-If you have funds that you collected at the beginning of the year, the room parent will send your teacher flowers

-If you don't have class funds to support this, please have the students send the teacher a flower virtually (pick one, draw one, get creative!)

## **Tuesday 5/5:** Thank you video and PTA gift card raffle

-Students can record a brief video message to send to their teacher in seesaw  
OR

-Each class member will email/text room parent a short "thank you" video and the room parent can put them into one (splice app is easy and awesome!)

-PTA will be pulling teacher's names to win gift cards! Check social media for winners!

## **Wednesday 5/6:** DIS & PTA Swag Bag Pick up

School administration and PTA have put together a gift that the teachers will pick up from school. Administration will share those details with the teacher.

## **Thursday 5/7:** Fan Mail (letters, cards, pictures)

Make a card, write a letter, or draw a picture for the teacher. Room parents can start collecting these in an envelope on their porch now, then drop them off at your teacher's house 5/7 or mail them to arrive by 5/7

## **Friday 5/8:** Class Gift

If there are class funds, room parents can buy a gift from the class and have it delivered to the teacher's home.

**Room Parents: If you don't have your teacher's address or are unable to make deliveries, please bring your items to school on Wednesday, 5/7 by 9 am and we will assist in delivering.**
